Integrated Financial Partners®

(/page/home-action)

Welcome to my site! While focused on Retirement Planning and Wealth Distribution strategies, I provide full Financial Needs Analysis services, along with my team at Integrated Financial Partners, Inc. What you do today determines your direction, your prosperity and your future. We take the time to fully understand you and your needs. Then we provide you with the information, advice and alternatives you will need to make informed decisions about your financial future. We provide solutions and alternatives, but you always make the final decisions about your own financial future.

Call now for a confidential Financial Second OpinionTM and be on your way to building, preserving and protecting your wealth.

About Sean (/menu/about-sean)

Committed to providing up-to-date information so you can make informed decisions regarding your financial future.

As a CERTIFIED FINANCIAL PLANNER™ practitioner, Sean Boylan has helped many families gain control of their complex financial challenges. Since 1990, Sean has dedicated himself to helping his clients work towards their goals of a comfortable and independent retirement that they so richly deserve. Sean helps clients focus on preservation of assets and purchasing power as a primary goal. From this base he designs solutions to help address your specific goals and objectives, including estate/ asset protection strategies. Sean has extensive expertise in:

- Estate Planning
- Retirement Planning
- Tax Reduction Strategies
- Family Protection Strategies
- Long-term Care Insurance
- Education Funding

Born in Belfast, Ireland, Sean graduated from the University College in Dublin with a major in Economics. Sean earned his CFP® certification in 1991 from the College of Financial Planning in Denver. His affiliations include:

- The Institute of Certified Financial Planners
- Boston Certified Financial Planners Society
- International Association of Financial Planners
- Institute of Business and Finance, La Jolla, CA

Sean has been profiled in a number of newspaper articles for his financial planning case studies and has been a frequent guest on a variety of radio shows discussing investments and asset preservation strategies for our maturing population.
