ARES MANAGEMENT CORPORATION

With approximately \$137 billion in assets under management^[1], Ares Management Corporation (NYSE:ARES) is one of the largest global alternative asset managers, with three complementary and market leading investment groups: credit, private equity and real estate. We believe the power of our combined platform makes us better investors and enables us to offer a broader range of flexible solutions along the risk reward spectrum.

THE ARES EDGE

POWER OF THE ARES PLATFORM

Using our platform's significant scale and global reach, we leverage our relationships, sector knowledge and industry insights across our portfolios and investment groups to source, evaluate and generate strong risk-adjusted returns for investors.

COLLABORATIVE CULTURE

Over our 20-year history, we have evolved to meet our clients' individual needs by fostering an integrated, cross-platform culture of teamwork where we share ideas, expertise and best practices across the firm.

TRUSTED INVESTMENT PARTNER

Our comprehensive product offerings span multiple asset classes and provide a full spectrum of flexible investment solutions. We can invest in all levels of a company's capital structure and invest dynamically across market environments to optimize returns and better manage risk.

VALUE CREATION AND GROWTH

We are business builders who create value by investing in quality companies, real estate and energy assets. We view our strong growth as a testament to our investors' confidence in our capabilities and demonstrated investment performance.

VIEWS

PUBLIC ACCESS TO ALTERNATIVES

Ares affiliates manage several publicly traded funds⁽²⁾, which allow retail and institutional investors to access our expertise across Credit and Real Estate. We believe that expanding investor access to alternative investments provides diversified sources of return and attractive solutions for investors seeking higher levels of income. Our publicly traded funds include:
