

Gemspring Capital is a private equity firm specializing in lower middle market companies. With \$355 million of equity capital under management, we provide flexible capital and partner with talented management teams to propel companies to grow and achieve their full potential.

At Gemspring, we take a hands-on approach to investing and commit operating and strategic resources to help drive revenue growth and operating efficiencies at each of our portfolio companies. We take smart risks with capital investment and often pursue transformational add-on acquisitions. The goal for each portfolio company is growth, enhanced market leadership and a significant increase in the strategic value of the business.
