di*ver*gent adj. - Departing from convention.

So much emphasis has been put on planning for the future and saving for retirement. It is this societal pressure that has led so many individuals and families to forget how to live for today. At Divergent Planning, we help you put together a strategy that will ease these pressures and give you a sense of comfort knowing you are planning for your future while living a lifestyle you want now.

OUR FIRM

Divergent Planning is a fee only financial consulting and investment advice firm built on experience and a passionate belief in helping people gain an unwavering confidence in their future.
