To determine if the Fund is an appropriate investment for you, carefully consider the fund investment objectives, risk, and charges and expenses. This and other information can be found in the fund prospectus which can be obtained by calling 866-778-6397 or by [clicking here](#). Please read the prospectus carefully before investing.

There are risks involved with investing, including possible loss of principal. In addition to the normal risks associated with investing, international investments may involve risk of capital loss from unfavorable fluctuation in currency values, from differences in generally accepted accounting principles or from social, economic or political instability in other nations. REIT investments are subject to changes in economic conditions, credit risk and interest rate fluctuations. The Fund may invest in derivatives, which are often more volatile than other investments and may magnify the Fund's gains or losses.
