

The future of longevity-based investing.

AIR Asset Management advises and manages investment vehicles that provide unique opportunities within the alternative investment space to qualified investors. Our focus is on life settlements and other longevity-linked investment products.

CONTACT AIR ASSET MANAGEMENT

Please contact AIR Asset Management to learn more about our investment opportunities.

Our experience enables us to be opportunistic in an attempt to generate total return with as little correlation as possible to other asset classes. Our goal is to achieve this through a combination of different fund structures that accommodate various investor needs.

LEARN MORE ABOUT US

Each of our fund products has a unique strategic initiative with respect to longevity-based investments that incorporates varying asset allocations ranging from single-strategy to multi-strategy life settlement exposure.
