

KBK Capital Management LLC (“KBK”) is a boutique private fund management firm founded in 2016 by Bhavana Khanna, PhD. and Kevin Bush, CFA, CMT. Our principals have 30 years of combined investment management and Wall Street experience.

KBK focuses on creating and managing niche strategies. We perform extensive due diligence on the market, the investment opportunity and our ability to deploy the resources necessary to create a high value-added strategy that will benefit our select clientele.

KBK is currently focusing its efforts on India’s compelling growth trajectory and providing unique ways for investors to participate in its growth.
