

INTANDEM CAPITAL PARTNERS

InTandem Capital is a private equity firm that invests in and helps accelerate the growth of small to mid-sized companies in select health care and insurance services sectors.

Our team, comprised of former business executives and experienced investors, is uniquely qualified to provide strategic, acquisition and operating expertise in order to help a company significantly increase its value over time. We provide active support to management of our portfolio companies directly, and provide access to our network of operating partners and industry executives. Our goal is to build excellent businesses of significant value working collaboratively with our management team partners.
