## “Getting to the top takes Teamwork.....Prepare for Change, or Get Left Behind.”

The unique situations and issues that advisory firms face on a day-to-day basis is unprecedented. From calming clients' fears in a global marketplace and adapting to new technology applications to keeping up with regulatory requirements and constantly mentoring your staff, it's a constant unending balancing act.

Are you prepared to seize all of these opportunities on your own? BGAN can help by providing both strategic goals and tactical applications to get you and your business over that next hill—so you can spend time on the activities you enjoy.

We are a U.S. network of advisory firms that are fee based. We specialize in supporting overseas advisory firms wanting to work with Expats based in the U.S. How, you ask? We help you with the unique financial challenges of Expats (Your Clients). We help you with licensing, processing SIPP transfers & investing for Expats (Your Business). We provide you with recommendations on Business Strategy, Investment Platforms, Technology & Compliance (Our Advice). We help you fast track and gain ground state side (Our Guidance).
