Global Economy. Global Mobility. Global Solutions.

Beacon Global Group is uniquely positioned at the center of a series of global relationships with banks, accountants, lawyers, tax specialists and international financial planners, all with the desire to grow their businesses through serving the unique needs of Americans where ever they are in the world.

**We can help support you in reaching American clients through our network relationships, direct marketing, and social medias where ever they are in the world.**

We see the future, a future where the needs of Americans moving around the world can be satisfied through one comprehensive and seamless service wherever they go.

Beacon Global Group is positioned at the center of these global relationships to enable a professional services firm to grow their business through serving the unique needs of Americans where ever they are in the world.

## Non-US Independent Financial Advisors

We can support your desire to gain business with  
American clients with training & resource.

## US Independent Financial Advisors

Our Super RIA will give you the autonomy to run  
your business as you see fit, with quality support  
and advice to get you to the next level, whatever  
that may be for you.

## Non-US Bank Operations

We can help you service your American clients with  
qualified investment products.

## Non-US Fund Managers

We can help you grow Assets Under Management in your  
UCITs by gaining access to American's living overseas  
without all the FATCA headaches.
