We understand the many sides of the lower-middle market and we invest in its leading contributors.

We believe in the potential of middle and lower-middle market companies. Just as their businesses aren't all alike, neither are their financing needs. We work with them to identify flexible financing solutions that foster growth and help them realize their potential.

"The businesses we target are underserved by banks and large asset managers, a trend we see continuing; we are excited about partnering with these businesses to realize their full potential."

— MORITZ POEHL, FOUNDER, MANAGING PARTNER
