©2019 Cutter Financial Group, LLC. All rights reserved.

Cutter Financial Group, LLC ("Cutter Financial") is an SEC Registered Investment Advisor ("RIA"). Cutter Financial provides investment advisory and related services for clients nationally, as well as offers insurance and annuity products. Cutter Financial will maintain all applicable registration and licenses as required by the various states in which Cutter Financial conducts business, as applicable. Cutter Financial renders individualized responses to persons in a particular state only after complying with all regulatory requirements, or pursuant to an applicable state exemption or exclusion.

Different types of investments involve varying degrees of risk. Therefore, it should not be assumed that future performance of any specific investment or investment strategy will be profitable. Asset Allocation may be used in an effort to manage risk and enhance returns. It does not, however, guarantee a profit or protect against loss. Performance of the asset allocation strategies depends on the underlying investments. This website is intended to provide general information about Cutter Financial and its services. It is not intended to offer or deliver investment advice in any way. Information regarding investment services are provided solely to gain an understanding of our investment philosophy, our strategies and to be able to contact us for further information.

The information and calculators provided via this website are general information, meant to introduce you to our areas of expertise. Articles, calculators and other sources of information are not intended to replace the professional advice of a trained retirement professional.
