Future

Why should I get a will?

Integrity

If you pass away without a will,
you are leaving your loved ones
with a big burden.

Responsibility

If you have no will and
something happens to both
parents, the court picks
guardians for kids.

Generosity

You've worked hard for the
things you own; don't let the
courts decide who gets them.

How easy is it to get?

Simple

Open our [mobile web app](#),
download our [iPhone app](#), or
the [Android app](#).

Fast

From your phone, you can
create a legal will made by over
52 attorneys across America.

Convenient

Print a [PDF](#) of your will right from your phone and take it to your local [UPS](#) or [FedEx](#) to get notarized.

What does Tomorrow cost?

Will

52 attorneys across America crafted a will so that every family could create one, for free.

GREAT! WHAT ELSE?

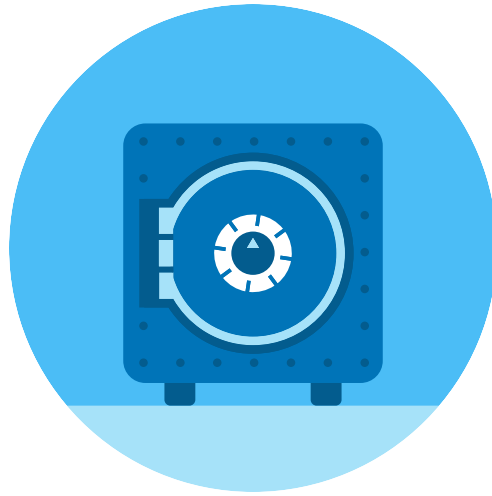

FREE

" This is an unbelievably simple and phenomenal app that makes a rather difficult process extremely easy. I was able to go through and create my will in less than 20 minutes. "

JUSTIN

Secure & Encrypted

Tomorrow protects every individual's account with encryption and bank-level security.
