Credit

Our credit team applies its global reach and approach to invest up and down the capital structure and across the full spectrum of credit strategies.

Public Equity

Our public equity team applies deep domain expertise and a long-term perspective to identify compelling opportunities globally, investing in both publicly-traded and pre-IPO companies.

Bain Capital, LP is one of the world's leading private multi-asset alternative investment firms with approximately \$105 billion of assets under management that creates lasting impact for our investors, teams, businesses, and the communities in which we live. Since our founding in 1984, we've applied our insight and experience to organically expand into several asset classes including private equity, credit, public equity, venture capital and real estate. We leverage our shared platform to capture cross-asset class opportunities in strategic areas of focus. With offices on four continents, our global team aligns our interests with those of our investors for lasting impact.
