

# THE ACQUIRERS FUND

## The Acquirers Fund [ZIG:NYSE]

The Acquirers Fund is a long/short U.S. equity ETF. The Fund tracks The Acquirer's Index, which comprises long and short stock portfolios from the U.S. large and mid-cap universe. The long portfolio is rebalanced quarterly to hold those stocks at the deepest discount to Acquirers' assessment of value, and the strongest fundamentals. The short portfolio is rebalanced quarterly to weight those stocks at the greatest premium to Acquirers' assessment of value, with the weakest fundamentals.
