

Invicta Capital, LLC / Invicta Advisors, LLC

Invicta is an advisor-owned company formed by a group of dedicated advisors that decided they want to only work with representatives who are committed to working in the best interests of their clients. In addition, they only have representatives they would be comfortable having as their own personal financial advisor. Invicta Capital, LLC is an introducing financial services firm registered with leading variable annuity companies, mutual funds, and share-keeper. Invicta Advisors, LLC utilizes TD Ameritrade Institutional, Inc as their custodian while maintaining the ability to offer additional "fee for services."

Invicta does not offer any proprietary Invicta branded products. This allows registered representatives and advisors to be unbiased and have the flexibility to help you achieve your investment objectives.
