

# Institutional-quality asset management, custody, and execution services for digital assets

Headquartered in New York City, we partner with leading investors across the globe.

[Learn More](#)

## // What We Offer //

### Asset Management

Digital asset funds and custom solutions through separately managed accounts

### Custody

Qualified Custodian for Bitcoin, Ether, XRP, Litecoin, and Bitcoin Cash, using an audited solution held at secure facilities

### Execution

Best execution for digital assets across both listed and OTC markets

## 01

### **Institutional Quality**

We get it. Our leadership team has experience managing complex, alternative investment strategies and, together with our affiliates, currently manages over \$15 billion in assets. NYDIG provides a single point of contact for digital asset solutions.

## 02

### **US Based & Regulated**

We embrace regulation. NYDIG holds both a BitLicense and a Limited Purpose Trust Charter, each overseen by the New York Department of Financial Services.

## 03

### **World Class Service**

We are obsessed. We understand the needs of sophisticated investors and provide the highest level of customer service.
