WHO WE
ARE

Skypoint Capital was founded to provide allocators of capital innovative solutions across the income investment spectrum. We offer access to Taxable and Tax-Exempt Income, Dividend Income, Infrastructure, Private Credit and Real Estate strategies.

WHO WE ARE

Skypoint Capital was founded to provide allocators of capital innovative solutions across the

income investment spectrum. We offer access to Taxable and Tax-Exempt Income, Dividend Income, Infrastructure, Private Credit and Real Estate strategies.

Today's investment environment is more challenging than ever before. Our approach is purely consultative and has been refined over years of representing income-focused managers. Our open-architecture platform keeps you informed every step of the way.

OUR STRATEGIES

Skypoint's open-architecture platform gives our clients access to a select group of best-in-breed managers. Please click on a strategy below for more information on our strategic partners.
