Our Community Stories

Amerant Art Program

Building on a 40-year legacy of supporting the arts, Amerant has launched an art initiative showcasing a series of art exhibitions in its corporate spaces. Rotating three times a year, Amerant is proud to open its doors to the abundance of talent South Florida-based artists have to offer. The first rotation, which will run from October 2019 through January 2020, will feature 10 South Florida-based artists, including Cuban artists José Iraola and Gustavo Acosta; Venezuelan artists Tony Vázquez, Paul Amundaraín, Muu Blanco, and Yucef Merhi; Chilean artists Ignacio Muv and Patricio González; Haitian artist Adler Guerrier; and American artist Michael Loveland.
