TAX TIPS

## About Us

Premier Tax Advisors is the #1 rated accounting firm in Silicon Valley because we teach people valuable tax planning strategies to minimize their taxes and maximize their wealth. If you'd like the peace of mind to know you have a financial partner with your best interests in mind, give us a call.

## Our Services:

- Tax returns for individuals and businesses
- Unresolved tax problems
- Tax and financial planning

## Education:

- BA, Economics – U.C. Berkeley
- MS, Taxation – San Jose State University

## Licenses:

- Certified Public Accountant (CPA)
- Enrolled Agent
- Certified Financial Planner (CFP®)

# What We Do

Does your CPA prepare your taxes, but not offer strategies to reduce your taxes?

We help people shield as much money from the IRS as legally possible. Most of our clients are engineers, real estate investors, and business owners.

Contact us for a complimentary consultation

## Mission Statement:

Our mission is to help our clients accomplish their goals by providing the highest quality tax and financial services. We improve our clients' financial situation by offering innovative tax strategies that most CPAs aren't even aware of.
