WHY CHOOSE US

Welcome to Meixler Investment Management, Ltd. an independent registered investment advisory firm that specializes in growth and retirement income portfolios for individuals, families and closely held businesses. Based in Show Low, Arizona, we serve clients nationwide. Our seasoned staff guarantees a knowledgeable and helpful individual on the line every time you call. Whether your question is about investments, insurance, social security, or estate planning, we'll put a quarter century of experience to work for you.

Our investment philosophy is rooted in the value-based Graham-Dodd school of thought with an Austrian Economic influence. The markets are such that an investor must question everything. We manage our own portfolios, no expensive outside money managers or mutual funds. Each position and portfolio is hand-picked and customized to the individual investor. Call us today for a free initial review of your portfolio, and let us provide you with the investment assistance you need.
