Supporting All Kinds of Companies

Fintechs

Industry disruptors wanting to launch and scale quickly.

Financial Services

Incumbent institutions looking to add new digital capabilities.

Brands

Non-financial companies that want to offer financial products.

Are you a banking institution interested in joining Rize's network? [Get in touch.](#)

An API Designed for Builders

Our API serves as the link between your application and a network of financial institutions. We make integrating as simple as possible so you can spend less time developing and more time focusing on your customers.
