

Navigating complex data to deliver alpha

Think Differently to Achieve Superior Results

Trowbridge Capital Partners is a quantitative asset manager that thinks differently.

With over two decades of quantitative research, our goal is to help investors maximize long-term investment returns while mitigating risk.

Our core philosophy is based on the belief that risk management drives long-term alpha, utilizing our unique and robust modeling to diversify away from the crowd avoiding commonly used data.

Let's Chat!

Our Value Proposition

seeking to produce alpha over a market cycle and, by taking advantage of market trends in mid to large-cap equities. Our belief is great risk management doesn't have to sacrifice great returns.

Trowbridge has a distinctive process that incorporates 20 years of statistical mathematical modeling that helps to look at data differently than commonly followed investment strategies.
