LEADING EDGE, A PIONEER IN HARNESSING THE POTENTIAL OF EMERGING MANAGERS

Founded in August 2005 as a Manager-of-Managers, Leading Edge is an SEC-registered investment advisor, and a minority, employee-owned firm consisting of an experienced and knowledgeable team of professionals committed to the emerging manager arena. Founder, Clayton Jue, pioneered the first fund of emerging managers in 1990, and with several seasoned professionals expanded the use of emerging managers across all asset classes. Prior firms included, the team has managed over 40 emerging manager programs over 30 years.

LEADING EDGE SYNERGY AND PASSIONATE COMMITMENT TO EXCELLENCE

Leading history and tradition in Emerging Manager Product Research and Development

INTRODUCTION TO INVESTORS

Leading Edge constructs multi-manager investment solutions based on the specific investment and service needs of each client. Leading Edge utilizes proprietary analytical tools and protocols that have been developed over 20 years. We are proficient in all aspects of manager due diligence, investment analysis, and fund optimization.

Our expertise is exhibited by a history of identifying exceptional managers in the earliest stages of their development, and often funding them with their first allocations. Our proprietary **Dynamic Customized Optimization Process (“DCOP”)** identifies the optimal balance of portfolio characteristics, return and risk factors, in constructing portfolios that may potentially deliver exceptional performance.
