

Partnerships

CP2 is a specialist infrastructure investment manager and has been a global leader in infrastructure investing and asset management for 17 years.

We invest in core infrastructure assets that provide secure, stable, inflation-protected cash flows over the long term.

Approach

Global Infrastructure Leader

ConnectEast (http://www.cp2.com/?post_type=article&p=99#connecteast)

The ConnectEast public-to-private transaction is a good example of CP2's end-to-end internal capabilities..... >

AirportLink (http://www.cp2.com/?post_type=article&p=99#airportlink)

Sydney's AirportLink is a key example of CP2's philosophy and process producing a successful investment outcome..... >
