How retail investors have steadily gained confidence in MF investments

Ashwani Bhatia

Despite high market volatility in the current FY, investors have shown faith in funds.

The full majority gives BJP led NDA government a significant political capital. It also reinforces the belief in some of the policies undertaken during their last term; particularly the actions to keep the inflation contained and focus on social security net. The measures to improve rural roads and electrification, build rural houses, distribute free LPG, free LED, free toilet and expansion of social security net in terms of pension and medical insurance had earned them a significant political mile...
