

## INVESTORS IN CHANGE

FIM Partners is an investment manager focused on emerging and frontier markets. The firm's assets under management are invested on behalf of university endowments, sovereign wealth funds, outsourced CIO's, and pension plans from North America, Europe, and the Middle East. Our team consists of a diverse and experienced group of specialist investment and non-investment professionals who are based in close proximity to our key markets. Our team has built out a highly successful track record by implementing a disciplined fundamental research approach that underpins our active investment strategy in emerging and frontier markets.
