I am Senator Bernie Sanders. Ask me anything!

Hi, I'm Senator Bernie Sanders. I'm running for president of the United States. My campaign is not only about defeating Donald Trump, the most dangerous president in modern American history. It's about transforming our country and creating a government based on the principles of economic, social, racial and environmental justice.

I will be answering your questions starting at about 4:15 pm ET.

Later tonight, I'll be giving a direct response to President Trump's 2020 campaign launch. Watch it [here](#).

Update **TL;DR** at bottom

First I just want to thank everyone who reached out and offered their story about similar. I can't believe how many people are told they're completely sterile and end up being able to have kids anyways.

I took a lot of what you guys said to heart. I had an ex of mine from years ago end up cheating on me, and it really left a scar for a while. It wasn't until I got more involved with sports and getting in better shape that I was able to try and
