“I’ve read a lot of finance books to help teach my kids about saving and money and too often they’re full of complicated formulas or too generic of information that feels like routine catchphrases. This book was exactly

“Mr. Schorsch does an excellent job of intertwining sound financial counseling with useful action items. In fact, the 21-day wealth makeover at the back of the book is highly useful. He sets out to show us that there are two

“Solid advice for family planning written in an easy to digest manner. Irvin takes us through real world stories from his own personal and business life that show how he has applied these teachings.”

“I had the pleasure of working with Irvin on Reinvent Rich and all bias aside, Irvin is a delight to work with and really has a heart to help people live their lives to the fullest. Read the book cover to cover once
