

# GreenThought\$ Newsletter

It is our privilege to provide you with our insight on current financial market events and our outlook on topics relevant to you. Our GreenThought\$ newsletter is concise and written in plain English so that you can quickly digest the content and our conclusions.

We believe that preserving what you have and avoiding the big losses is more important than investing beyond your risk tolerance.

# Personalized Wealth Management Services

## Your Experience

Our relationship with you will be a partnership. Our job is to listen to you and understand –after all, it's your money and your goals that must be met.

[read more »](#)

## Investment Management

We think investing aggressively is not necessary to generate solid long-term returns.
