New Account Access System | New Focused International Fund

[Hide this notice](#)

Harbor Funds is proud to announce the release of our new online account access system. This new system has all the same great features from the previous system but also includes enhanced security and some exciting new features such as:

- Enhanced tools for managing your cost basis
- Better support for access on your mobile phone or tablet
- New IRA capabilities, including retirement account rollover and the ability to buy, sell and exchange shares
- Adding nicknames to your account and creating a personalized view of your portfolio

If you have a few minutes, [log in to your account](#) and take a look. If you haven't set up online access for your Harbor Account, please [register](#) to get started. If you have any questions, please contact one of our Shareholder Services Representatives at 800-422-1050 Monday through Friday, between 8:00 a.m. and 6:00 p.m. Eastern time.

New Harbor Focused International Fund

As of June 3rd, 2019, Harbor Funds has added the Harbor Focused International Fund to its family of no-load mutual funds. The Fund, subadvised by Comgest Asset Management International Limited, has a concentrated portfolio and aims to be a core holding for equity investors interested in exposure to growth-oriented international companies.
