[GET IN TOUCH](#)

## Let's talk about money.

Our purpose is to encourage you to start making good choices about your finances now, while you're young. We want you to get a headstart towards reaching your goals.

The earlier you start, the more time your investments have to grow!

We wrote a book!

## [P.I.G.G.Y. Plan-It:](#) [Prudent Investors Get Going Young](#)

P.I.G.G.Y. Plan-It is a primer on personal finance. Authors Anderson, Taff and McAdory walk you through each topic, warning you of opportunities to seize and pitfalls to avoid. They present their expert advice in everyday language and stories, bringing you up to speed to get your financial house in order. Whether you need an introduction to or a refresher on the ins and outs of building credit, insurance coverage, retirement planning or other areas of your financial life, you'll find practical, straightforward advice in this book. They encourage anyone from young guns fresh on the job to the young at heart embarking on new challenges not to put off taking charge of this vital part of life. After all, Prudent Investors Get Going Young!
