# HOW WE ARE DIFFERENT

*The stakes are too high to bring anything less than the best capabilities to your financial life.*

## 1. Expertise in taxes & tax planning

Understanding our clients' attitudes about taxes and what bothers them, we can often uncover what they don't know they don't know and keep them from making costly mistakes.

## **2. Experience in investment planning**

Helping our clients manage their expectations and emotions, we can enable them to stay focused on their goals and avoid the blunders that others can make.

### **3. Approach to coaching our clients**

Asking the right questions, we can see things in their proper context, evaluate the advice of others, and then add value in complicated situations.
