

## Welcome to Premier Estate Planners

The mission of Premier Estate Planners is to maximize client wealth through education, commitment, and professional partnerships. Estate planning, tax planning and financial planning all play an important role in preparing for your retirement years. We will furnish quality consulting in the estate, tax and financial planning areas by educating our clients. By creating knowledgeable clients, we will help them make successful and prosperous decisions regarding their financial future. It is our intent to remain progressive and in tune with the changing environment in order that our clients receive the excellent service they deserve.

Premier Estate Planners brings together all of the professions necessary to complete your family's financial plan through their six step, Premier Planning Process™. You will have access to Financial Planners (RFC), Tax Specialist (EA), our Estate Planning Attorney, and Insurance Professionals. We assist our clients in maximizing opportunities to help create and maintain their wealth. Please call us toll free, (800) 779-1969, to set up a free consultation with one of our professionals.
