## Retirement Planning for Age Gap Couples – Episode 188 – Your Life Your Wealth

By Steve Cordasco | June 6th, 2019 | Categories: Retirement | Tags: Age gap retirement

[Retirement Planning Tips for Age Gap Couples](#)

Married couples with a sizable age difference face unique challenges relating to retirement. I discuss the issues including how age gap retirement impacts social security decisions, asset distributions, and other financial matters. I also talk about the psychological and social effects of one spouse retiring as the other maintains full-time employment.
