Silver Launches [nftrh.com/2019/06/20/silver...](https://nftrh.com/2019/06/20/silver...) (<https://nftrh.com/2019/06/20/silver-launches/>) \$SLV (/symbol/SLV) \$GLD (/symbol/GLD) \$SIL

(/NFTRH) (/symbol/SIL) \$GDX (/symbol/GDX) \$GDXJ (/symbol/GDXJ)

As suspected the other day silver's grind at the moving averages resolved bullish. The first try came on a surge in volume but then it dropped, whipsawed and came back again to bludgeon resistance on a big volume day. To my eye it looks like silver is headed to a place above the 2019 highs. But if/as silver eventually takes over for gold, it's probably not going to stop there.

Post continues... [nftrh.com/2019/06/20/silver...](https://nftrh.com/2019/06/20/silver...) (<https://nftrh.com/2019/06/20/silver-launches/>)
