Global Reach

Discover exceptional opportunities with Cantor's leading asset management platform

Cantor Fitzgerald Asset Management (CFAM) provides asset management and advisory services to investors in global fixed income and equity markets.

Whatever our clients' investment goals, we have the experience and knowledge to deliver exceptional solutions across a wide range of asset classes.

Our diverse, global client base ranges from leading institutional investors to high-net-worth individuals.

The following businesses currently fall under the CFAM umbrella:

Cantor Fitzgerald Investment Advisors (CFIA)

CFIA includes both Efficient Market Advisors and our Asset-Backed Commercial Paper program.

- **Efficient Market Advisors (EMA)**

EMA produces proprietary investment strategies using lower cost, tax efficient, liquid and transparent exchange-traded funds (ETFs). Its approach is based on Nobel Prize-winning academic research, coupled with real-world experience. Each strategy is tailored to the client's exact investment objectives, risk tolerance and time horizon.
