*Who are we*

## Welcome to McAdams Group, LLC

McAdams Group, LLC has differentiated itself from the competition in numerous ways. By taking into account “worst case scenarios” and having a conservative approach to planning, we have been truly blessed to help hundreds of seniors in the Memphis area reach their goals and values without changing their lifestyles. By specializing in the entire universe of more conservative [income](http://www.mcadamsgroupllc.com/glossary/income/) ([dividend](http://www.mcadamsgroupllc.com/glossary/dividend/)) ([dividend](http://www.mcadamsgroupllc.com/glossary/dividend/)) paying options outside of the [stock](http://www.mcadamsgroupllc.com/glossary/stock/) ([stock](http://www.mcadamsgroupllc.com/glossary/stock/)) market, as well as sharing a philosophy of “not being married to any specific investment or strategy,” we’ve been able to work with our clients to help create a road map and give them a great deal of individual attention so they can focus on enjoying their lives. Our team approach to service has helped us earn a reputation for caring about our clients and we feel truly blessed that they have allowed us to be a part of their lives.
