\$TPB (</symbol/TPB>) in and out --- up and down ---since \$12 a share- when I started trading on 2015 - its was 122 watchers - THEE best kept secret of all (/derek_james) of Wall Street --- and Stock twits too

Bullish

Pinch myself it is near \$50

I buy 3,000 shares at a time - this is even not my main money maker Amazon is - but here are days that this kicks ass beyond AMZN
