FINANCIAL TIMES RECOGNIZES INGALLS & SNYDER, LLC AS A TOP RIA

The Financial Times 300 Top Registered Investment Advisers is an independent listing produced annually by the *Financial Times* (June 2019). The FT 300 is based on data gathered from RIA firms, regulatory disclosures, and the FT's research. The listing reflected each practice's performance in six primary areas: assets under management, asset growth, compliance record, years in existence, credentials and online accessibility. This award does not evaluate the quality of services provided to clients and is not indicative of the practice's future performance. Neither the RIA firms nor their employees pay a fee to The *Financial Times* in exchange for inclusion in the FT 300.

To further engage the audience, we played an investment game demonstrating how personal risk tolerance influences portfolio style and investment performance. The seminar led to lively and engaging discussions.
