

# Atalanta Sosnoff Capital

*Building on Long Term Success*

*With a history dating back to 1981, Atalanta Sosnoff is a New York based SEC registered investment advisor dedicated to achieving outperformance versus relevant benchmarks and peers regardless of the market environment. We are defined by our investment research, dedicated client service, and high ethical standards.*

## Equity Strategy

Our goal is to identify companies entering a period of earnings acceleration where we can benefit from both the earnings growth rate and multiple expansion.

## Diverse Client Base

Including a significant representation in Taft-Hartley Funds, Institutional (Public, Endowments and Foundations, Religious and Charitable), and broker sponsored wrap programs at several of the largest money management firms in the world.

## Fixed Income Strategy

Our fixed income strategy utilizes, under the umbrella of current income, a relative valuation strategy amid and among sector, maturity, quality grade, and issues to deploy an investment grade portfolio versus a client selected benchmark.

## Long-term Track Records

Equity and fixed strategies created by the Company's portfolio managers with a consistent management

## Investment Management Team
