

Our direction is clear,
Our standards unwavering.
Fixed Income Portfolios,
Individually Crafted.

Belle Haven is a boutique fixed income specialist.

Our primary focus is the preservation of our clients' principal while striving to deliver compelling risk-adjusted returns.

We are uniquely committed to serving Consultants and Advisors along with the Institutions, Foundations, Family Offices and the High Net Worth Individuals whom they represent. Our team's decades of expertise and focus in one sector has resulted in award-winning strategies that have delivered on our clients' needs. Our goal is to provide an unrivaled level of service, reliability and customization to our Advisors in building what we hope are partnerships for years to come.

This commitment has been our guide from our very first account in 2002 to the over \$9 Billion in client assets that we manage today. We remain grateful for the opportunity to be of service.
