Friday, August 2 at 7:30 - 8:30 a.m. featuring
Pete Blackshaw, CEO at Cintrifuse

In Pursuit of What Matters Most.

For 70 years HORAN has created plans to control health care costs, protect your wealth and insure your life. But the end game for all that we do at HORAN is more than a set of plans. We believe good health and true wealth create a better quality of life for our clients and their families.

HORAN offers solutions to three of the challenges Americans will face for the next several decades.

We provide access to high quality affordable health care through the bridge of insurance. We provide planning and investment guidance to build wealth for your retirement and ultimately for the next generation. We design insurance products and services to mitigate the risk of living too long, dying too soon or becoming disabled.

We deliver Health, Wealth, and Life services to individuals, families and employers designed
