## Who We Are

Supreme Alliance is a broker-dealer and registered investment advisor specializing in financial solutions for our customers.

For our clients, Supreme Alliance offers mutual funds and variable investment products as well as financial planning and managed account opportunities. The primary objective of Supreme Alliance is to provide products and services best suited to assist our customers' efforts to attain their investment objectives and to help them address their short and long-term financial needs.

For our representatives and advisor representatives, Supreme Alliance is committed to providing an insurance-friendly platform that is attainable and affordable for investment professionals of varying backgrounds and experience. We will handle most of the heavy-lifting for your Assets Under Management (AUM) and provide strong support. Seize the opportunity to expand your services to clients and your sales by obtaining the Series 65 or 66 license. We can help pave the way to a less stressful you.
