(/about-next/a-bold-history/)

INTEGRATED TECHNOLOGY

Utilize our integrated platforms to maintain your efficiencies and spend more time where it matters most – with your customers.

(/why-choose-next/technology/)

ABOUT US

NEXT Financial Group, Inc. (“NEXT”) is a uniquely independent, Representative-founded firm, focused on shared vision and values as expressed through the voice of our Representatives to build the platforms and programs to drive YOUR prosperity and success.

Founded in 1999, as a diversified financial services company, NEXT has grown to become one of the industry’s most recognized independent financial services firms. To date, NEXT Representatives have acquired more than $13.5* billion in individual, business, trust and retirement plan assets.

Many of these accomplishments can be attributed to NEXT working closely with its Representatives to ensure that they can meet client demands for quality investment, insurance and retirement planning products. Through supplemental training, support and a variety of resources, our representatives are equipped to give their clients the level of expertise they require.

*Asset numbers are as of August 31, 2018.

BUILT BY REPRESENTATIVES, BUILT FOR YOU

According to NEXT Representatives, NEC 2019 was a complete success. From the breakout sessions to words from the executives at Atria Wealth Solutions (Atria) about the merger between Atria and NEXT, watch the sights and sounds from the annual event in the video below.
