Beat the Odds by Staying Invested

May 23, 2019

When the stock market becomes volatile, it pays to have an investment plan and stick with it. It can be tempting to try to sell investments to avoid downturns, but it is hard to time it right. Investors who sell and stay out of the market during a market rebound, can find it difficult to recover. Big stock market gains and drops... [Read More](#)

DCM Mid Cap Value Named PSN Top Guns of the Decade

April 26, 2019

The DCM Mid Cap Value strategy from Dean Capital Management, LLC (“DCM”), an affiliate of C.H. Dean, LLC, has been awarded a Manager of the Decade Top Guns designation by Informa Investment Solutions’ PSN manager database, North America’s longest running database of investment managers. Through a combination of Informa Investment Solutions’ proprietary performance screens, PSN Top Guns ranks products in... [Read More](#)

Why You Need an Up-to-Date Estate Plan

October 15, 2018

With the 2018 increase in federal estate tax limits, protecting one’s estate from taxes has become less important for many. Effective January 1, 2018, individuals can leave just over \$11 million to heirs and pay no federal estate or gift tax. A married couple can protect double that amount, or approximately \$22 million, from such taxes. But even with these advantageous federal tax breaks,... [Read More](#)

How High-Income Earners Achieve Financial Independence

September 20, 2018

Contrary to what you might think, financial independence isn't just the result of enjoying a high income over the course of your career. It's earned through two patterns of behavior: Making consistently good financial choices throughout your lifetime, and Maximizing the benefits of time so that the savings you invest can grow. At C.H. Dean, some of our new clients... [Read More](#)
