About Us

Welch Hornsby was founded in 1988. We are an independent, fee-only investment advisor serving clients in over 15 states. Our purpose is straightforward. Our mission is unwavering. Build and preserve the wealth of our clients. For over 30 years our focused approach has served High Net Worth individuals and families, endowments, foundations, corporate and municipal retirement plans, and other institutional entities.

Welch Hornsby is an employee-owned company. Our investment in the long-term success of our clients is an investment in our own success. This vested connection aligns us with our mission of uncompromising commitment to serving our clients.
