

SERVING INVESTORS

*through* FORWARD THINKING

*and* UNCOMPROMISING DILIGENCE

Leeb Capital Management provides quality investment management services to individuals and institutions. Since our track record began in 1999, our macro “thought leadership” and diligent research has wisely guided our portfolio. Our performance record adheres to applicable standards and is verified by a third party compliance firm.

We continue to be committed to:

- A disciplined investment philosophy designed to produce superior returns over a complete market cycle.
- Responsive service tailored to individual requirements.
- Investment thinking communicated with transparency.
