A fat tax refund is just another way to say you paid too much taxes! Did you just get a fat tax refund or a big bill? Either way it could be a sign of poor financial planning says Chappaqua's Scott Kahan CFP®. We asked him to give us his best tips on tax planning and financial planning. Here's what he sent us...

Scott Kahan: How much volatility does Trump add to the market? (/blog/scott-kahan-how-much-volatility-does-trump-add-market)

Published: Feb **4**

In our fourth annual Investment Forecast from Scott Kahan we discuss Trump, China, Fed Chairman Powell and why we're in a better place after all that ugly business last year. Scott is a Certified Financial Planner, and President of Chappaqua's Financial Asset Management Corp.

2018 Market Review (/blog/2018-market-review)

Published: Jan **14**

After logging strong returns in 2017, global equity markets delivered negative returns in US dollar terms in 2018. Common news stories in 2018 included reports on global economic growth, corporate earnings, record low unemployment in the US, the implementation of Brexit, US trade wars with China and other countries, and a flattening US Treasury yield curve.
