

<Diversify, *Differently*.>

The time for a different
approach is NOW.

Asset correlations have generally been on the rise¹, reducing the effectiveness of

¹ https://www.investment.com/insights/asset-correlations-are-on-the-rise-again

investors must identify and employ new sources of diversification. ITS's managed investment strategies aim to deliver lower correlation, differentiation in sequence of returns, and ultimately a higher level of diversification for long-term investors. Learn more about how ITS can work for you:
